**RE: RECOMMENDATION LETTER IN REGARDS TO SERVICES OFFERED BY
DATAHOUSE**

It is with great pleasure that I write this recommendation letter for **DATAHOUSE (T) Ltd.** I have worked with **DATAHOUSE** for more than two years and throughout this time they have undertaken their obligations with utmost professionalism.

During all this time they have become a key member of our team. We had contracted **DATAHOUSE** to scan all our backlog documents, implemented a document management system and installed workflows.

Throughout this time that **DATAHOUSE** has worked with us they had demonstrated high level of commitment towards the project and delivered excellent services in their undertaking.

I do highly recommend **DATAHOUSE** and it is my sincere belief that they will make positive contributions in your organization.

Sincerely,

**TO DATA HOUSE (T) LIMITED,
P.O BOX 637,
DAR ES SALAAM,**

It is with much enthusiasm that I am writing to recommend the services of DATAHOUSE TANZANIA LIMITED

Since our earliest involvement with DATAHOUSE, we have found their company to be a world-class in many ways. Their high-quality shelves supplied and installed exceed our expectation especially when integrated with Electronic Document Management System as a single platform.

DATAHOUSE shelves even come with file holders and temporary workstations for smooth operations

We are happy to recommend the services of DATAHOUSE when it comes to high quality shelving system.

If you have any questions, please feel free to contact me.

Thank you for your continued cooperation.

Yours sincerely,

Dear Sir,

RE: SERVICE APPRECEATION

Reference is made to the above captioned subject matter for scanner services rendered to TPDC.

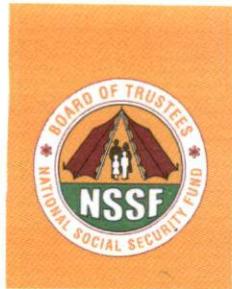

TPDC would like to extend its utmost appreciation for ensuring availability of scanning services for our EDMS services. Your company borrowed us an EDMS scanner to ensure uninterrupted services, when our own scanner unexpectedly stopped working. We appreciate your commitment in ensuring your customers get the best service possible.

Yours sincerely,

During 2015/2016 Oryx Oil Company Limited contracted DATAHOUSE TANZANIA LIMITED to develop an Electronic Document Management System for the archiving, preservation and quick and easy access of various documents.

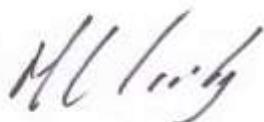

This project included the computerisation of various internal company forms together with workflows for form forwarding and approval with the objective being the reduction in cost of stationery and document handling time while preserving internal approval and control requirements.

They were at all times professional and have a thorough knowledge of the software enabling them to deliver the solution required.

They involve the client and end user in the scoping and step by step development of the project ensuring the proposed solution meets the client's requirements

In addition they accommodated unforeseeable delays in the project at our request and often re-worked a solution several times or presented various alternatives to ensure our exacting specifications were met.

**RE: SOFTNET TECHNOLOGIES LIMITED RECOMMENDATION FOR
DATAHOUSE (T) LIMITED**

We have engaged Datahouse to provide us with scanning and indexing services for some of our customers since 2012 to date. They have done over Six million documents during that time.

For entire period we have worked with them they have been delivering very good services with high flexibility whenever required, particularly when we had very huge influx of documents, they were able to introduce shifts that could work 24/7 at a very short notice.

We are therefore happy to recommend them for this kind of services for any one in need. For further information, do not hesitate to contact us as per addresses in our letterhead.
